

CURRICULUM VITAE

1. **SURNAME :** KOLLINIATIS
2. **NAME :** IOANNIS
3. **DATE OF BIRTH – PLACE :** FEBRUARY 20, 1949 – PIRAEUS, GREECE
4. **NATIONALITY :** HELLENIC
5. **CIVIL STATUS :** MARRIED – 2 CHILDREN
6. **EDUCATION :** HIGHER EDUCATION

Institution :	Faculty of Civil Engineering, National Technical University of Athens (NTUA)
Date :	1972
Diploma :	Master of Science in Civil Engineering

7. **LANGUAGE SKILLS:** (Indicate competence on a scale of 1 to 5, 5-excellent):

LANGUAGE	Reading	Speaking	Writing
Greek	5	5	5
English	5	3	4

8. **MEMBERSHIPS AT PROFESSIONAL BODIES**

Technical Chamber of Greece

Registered Consultant with the Ministry of Environment, Planning and Public Works

Hellenic Society of Civil Engineers

Consultants Union of Hydraulic Works

Greek Commission on Large Dams

9. **PRESENT POSITION :**

Founder of OMITEM Consulting Engineers S.A., main shareholder and Managing Director of the firm. Responsible for hydraulic and structural designs.

10. **YEARS OF PROFESSIONAL EXPERIENCE :**

Forty One (41)

11. **MAIN COMPETENCIES :**

Study and Design of Hydraulic works

Study and Design of Structural works

12. PROFESSIONAL EXPERIENCE

- Date (from – to) :** 2002 - 2016
- Location :** Greece
- Company – Service :** **OMITEM Consulting Engineers S.A.**
Address: 31 Chlois st, GR 15125, MAROYSSI-ATHENS GREECE
Tel : +30210 6147230, Fax: +30210 6147230,
email: info@omitem.gr
Greek Consultancy Register No. 645, for 6 categories of projects :
1st category : 06 (Architectural), class: A
2nd category : 08 (Structural), class: E
3rd category : 11 (Maritime), class: B
4th category : 13 (Hydraulic), class: E
5th category : 21 (Geotechnical), class: B
6th category : 27(Environmental), class: B
- Position :** Partner, Chairman of the Board of Directors & C.E.O.
- Responsibilities :** Representative of the firm, Project Manager for Hydraulic and Structural designs
- Date (from – to) :** 1980-2002
- Location :** Greece
- Company – Service :** “I. P. KOLLINIATIS”
- Position :** Representative of the firm
- Responsibilities :** Representative of the firm, Project Manager for Hydraulic and Structural designs
- Date (from – to) :** 1975-1979
- Location :** Greece
- Company – Service :** E.N.M. Consulting Engineers Ltd.
- Position :** Associate
- Responsibilities :** Project Manager for Hydraulic and Structural designs
- Date (from – to) :** 1973-1975
- Location :** Greece
- Company – Service :** Hellenic Air Force - Military Service
- Position :** Second Lieutenant Reserve Officer
- Responsibilities :** Chief Engineer of Survey workgroup for O.S.M.A.A., responsible for the topographic mapping and then as Head of Office of Aviation Maintenance Base in fuel storage and pumping facilities.

13. OVERVIEW OF RELEVANT PROFESSIONAL EXPERIENCE OF THE LAST 25 YEARS

COUNTRY	DATE	BRIEF DESCRIPTION OF PROJECT / POSITION AND RESPONSIBILITIES
GREECE	2008 – 2017	Study of flood protection system for the Complex of streams: Tholos - Nea Petra, Sisamia, Kastrolakkas / Serres Prefecture Project Manager for Hydraulic designs
GREECE	2008 – 2017	Study of Kireas river training works / Prefecture of Evia Project Manager for Hydraulic designs
GREECE	2008 – 2012	Study of Sewage Network and Wastewater Treatment Plant of Vocha / Prefecture of Korinthos In charge of Hydraulic design
GREECE	2008 – 2011	Study of Stormwater Network, Sewage Network and Wastewater Treatment Plant for Chora, Ampelofyto & Koryfasio Municipalities In charge of Hydraulic design
GREECE	2004-2007	Hydraulic Study for Completion of Stavros - Lavrion Highway / Section: Keratea - Lavrion / Subsection: IIb (D.E.H junction to French Storage Facilities junction), Project No.: KO 02/06 Project Manager for Hydraulic designs
GREECE	2007	Detailed Study for Contractor's bid for the construction of the Wastewater Treatment Plant of the hotel complex «GALINI BEACH SA" at Nidri, Lefkada (1,000 pe) Project Manager for Hydraulic designs
GREECE	2006-2007	Egnatia Odos / Isles Department: Section N01.00 - N03.00 - "Study of sewage network reconstruction for Gavrio, Andros Island and Study for the reconstruction of three (3) km of pipeline of the external aqueduct at Tinos Island from Mt Tsiknias" (Contract No. 2551/A01, Reference Number: 01) Project Manager for Hydraulic designs
GREECE	2007	Detailed Study for Contractor's bid for the construction of the Wastewater Treatment Plant of the hotel complex "ALMIRIDA BEACH SA" in Almyrida, Apokoronas (400 pe expansion unit) Project Manager for Hydraulic designs
GREECE	2006	Egnatia Odos / Final update of Hydraulics study of the section: Eastern abutment of river Nestos' bridge to the inlet of the tunnel Fytias (between chainage 24+300 km to 496+25 km) and Final Hydraulic Study of Thalassia junction (chainage 25+345 km) (Contract No. 0000-00VA/A1436/A01 / 01.04.2003, Order Number 07) Project Manager for Hydraulic designs
GREECE	2005-2006	Egnatia Odos / Detailed Study of Hydraulic works for the Anilio tunnel (Section 3.2 - 3.5.2) Project Manager for Hydraulic designs

GREECE	2006	Detailed Study for Contractor's bid for the construction of the Wastewater Treatment Plant of the hotel complex " ANASTASIA RESORT - NEILSON HELLAS S.A." in Nea Sikeona, Chalkidiki (300 pe compact unit) Project Manager for Hydraulic designs
GREECE	2005-2006	Egnatia Odos / Hydraulic Design of temporary and permanent works for the protection of the piers of river Nestos' bridge and Updating of the approved Hydraulic design of the Old National Highway Kavala-Xanthi (chainage 23+000 km to 25+496 km) (Contract No. A1436, Order Number 06) Project Manager for Hydraulic designs
GREECE	2006	Detailed Study for Contractor's bid for the construction of the Wastewater Treatment Plant of the hotel complex " ASTERAS PARADISE SA" at the Asteras, Paros (200 pe compact unit) Project Manager for Hydraulic designs
GREECE	2005-2006	Preliminary Hydraulic Study of Erasinos stream training works in Attica, Mesogea In charge of Hydraulic design
GREECE	2004-2006	Egnatia Odos / Final Hydraulic Study for Section 1.3.1. St. Anastasia-Dodona. (Drainage - training works) between chainage 1+580 km to 4+100 km (Contract No. A1436, Order Number 02) Project Manager for Hydraulic designs
GREECE	2004-2005	Final Hydraulic Study (Drainage - training works) of Rendina interchange at chainage 22+265 km (Section 11.1) (Contract No. A1436, Order Number 03a) In charge of Hydraulic design
GREECE	2006	Detailed Study for Contractor's bid for the construction of the Wastewater Treatment Plant of the hotel complex "SOT. SPILIOTEAS & Sons' Kardamili, Messinia (150 pe) Project Manager for Hydraulic designs
GREECE	2004-2005	Hydraulic Study for Completion of Stavros - Lavrion Highway / Section: Keratea - Lavrion / Subsection: III (Contract No.: KO 02/06) Project Manager for Hydraulic designs
GREECE	04/2003 - 03/2006	Ergose / Preliminary Hydraulic Study for the connection of the New Corintos - Patras Railway with the existing rail line to Pirgos (Contract No. 399) Project Manager for Hydraulic designs
GREECE	2006	Final Study for Contractor's bid for the construction of the Wastewater Treatment Plant of Davlia Municipality (6.000pe) (Consortium: Saitas Nikolaos - Gkigkelos Sotiris - Trouvas Ioannis) Project Manager for Hydraulic designs

GREECE	2005	Egnatia Odos / Final Study for the training works of river Metsovitikos (Section 3.1) In charge of Hydraulic design
GREECE	2005	Ergose / Part of the Hydraulic Study for the section Leptokaria - Katerini" In charge of Hydraulic design
GREECE	2005	Detailed Study for Contractor's bid for the construction of the Wastewater Treatment Plant of the hotel complex "KELEPOURI IOULIA" in Agios Nikolaos, Messinia (150 pe) Project Manager for Hydraulic designs
GREECE	2005	Final Hydraulic Design for the Fishing Shelter of Sabatiki In charge of Hydraulic design
GREECE	2005	Part of the Hydraulic Study for the works of water conveyance and distribution from Karla lake In charge of Hydraulic design
GREECE	2005	Final Design for the Rehabilitation of damages of the Bridge of Koklama in Iraia Municipality In charge of Hydraulic design
GREECE	2005	Part of Hydraulic Study for the sewage network of Corfu city In charge of Hydraulic design
GREECE	2003-2004	Design of Hydraulic Works for the small hydroelectric plant of Kerasovo In charge of Hydraulic design
GREECE	2003-2004	Egnatia Odos / Preliminary Flood Protection Study for the settlements of Parikia and Naoussa, Paros Island (Contract No. A1436, Order Number 01) Project Manager for Hydraulic designs
GREECE	2003-2004	Detailed Hydraulic Study for the training works of Inoi stream Project Manager for Hydraulic designs
GREECE	2004	Egnatia Odos / Part of the Final Hydraulic Study for the drainage works of Polidendri - Pente Vrises road In charge of Hydraulic design
GREECE	2003-2004	Final Hydraulic Study for Completion of Stavros - Lavrion Highway / Section: Keratea - Lavrion / Subsection: IIIa Project Manager for Hydraulic designs
GREECE	2004	Egnatia Odos / Final Hydraulic Study (drainage - training works) of Panagia junction (Section 4.1.1) between chainage 5+900 km to 7+200 km (Contract No. A1436, Order Number 04) Project Manager for Hydraulic designs
GREECE	2004	Egnatia Odos / Part of Hydraulic Study of rehabilitation works for the diversion of Lykopodi stream In charge of Hydraulic design

GREECE	2004	Final Study for the protection works of the abutments of Gadoura dam, Rodos island In charge of Hydraulic design
GREECE	2004	Part of the Preliminary Hyraulic Study for the the small hydroelectric plant of Kyprinos at Arda Dam In charge of Hydraulic design
GREECE	2004	Part of the Preliminary Hydraulic Study for the upgrade works of railroad section Inoi - Chalkida In charge of Hydraulic design
GREECE	2003	Part of the Hydraulic Study on the intake and evacuation works of Gadoura Dam, Rodos island In charge of Hydraulic design
GREECE	2003	Detailed Study for Contractor's bid for the construction of the Wastewater Treatment Plant of the camping site "D.KAVADA BROS" at Vlychos, Lefkada (400 pe) Project Manager for Hydraulic designs
GREECE	2003	Part of the Srtuctural Study on the drainage works of Volos - Larissa diversion, Larissa - Krafidona interchange In charge of Hydraulic design
GREECE	2001-2004	Detailed Hydraulic Study (flood protection works, drainage works, hydrology study) for the DEH power plant at Meliti-Achlada (330MW), Florina Project Manager for Hydraulic designs
GREECE	2001-2002	Egnatia Odos / Hydraulic Study on the Rehabilitation of operational failures of Krania-Milia road Project Manager for Hydraulic designs
GREECE	2000-2001	Hydraulic Study for the drainage works of the expansion of the aircraft parking space & runway at Skiathos National Airfield Project Manager for Hydraulic designs
GREECE	1996-2000	Final Hydraulic Study on irrigation works (construction of a new irrigation water conveyance pipeline and improvements on existing network) at the prefecture of Petra, Viotia Project Manager for Hydraulic designs
GREECE	1998-2000	Final Hydraulic Study for the drainage works of the Antirrio - Ioannina National Highway, from Antirrio to Amfilochia exit (Chinage from 0+00 km to 34+300 km) Project Manager for Hydraulic designs
GREECE	1999	Hydraulic Study for the flood protection works of the DEH steam powered power plant of Atherinolakos Project Manager for Hydraulic designs
GREECE	1998	Preliminary Hydraulic Study for the drainage works of Kalampaka - Ioannina railroad Project Manager for Hydraulic designs

GREECE	1998	Hydraulic Study of the supplementary wastewater treatment plant of the prefecture of Petra, Viotia Project Manager for Hydraulic designs
GREECE	1997-1999	Hydraulic Study and Topographic Survey for the construction of a dam at the prefecture of Petra, Viotia Project Manager for Hydraulic designs
GREECE	1997	Final Hydraulic Study for the drainage works of a new maneuvering area at the National Airfield of Paros island Project Manager for Hydraulic designs
GREECE	1994	Update of the Final Hydraulic Study for the drainage works of the maneuvering area at the National Airfield of Ikaria island Project Manager for Hydraulic designs
GREECE	1992-1995	Consulting services for the preparation of bid documents for the construction of a park at Pirgos Vasilissis, Athens (potable water, sewage, stormwater and irrigation networks, wastewater treatment works) Project Manager for Hydraulic designs
GREECE	1995	Part of the Preliminary Hydraulic Study for the drainage works of Athina - Thessaloniki High Speed Railroad (between chainage 399 km to 410 km) In charge of Hydraulic design
GREECE	1995	Part of the Final Hydraulic Study for the design of stormwater and sewage networks of parts Lamia city and Kalyvia settlement (works at Taratsa and Gouva areas) and drainage works of the western ring road at Galaneika In charge of Hydraulic design
GREECE	1995	Part of the Hydraulic Study of a dam at Tsiknia, Lesvos In charge of Hydraulic design
GREECE	1995	Part of the Final Hydraulic Study of Karla reservoir and relevant works In charge of Hydraulic design
GREECE	1995	Final Hydraulic Study for the sewage network and Preliminary Hydraulic Study for the wastewater treatment plant of Vilia Municipality In charge of Hydraulic design
GREECE	1994	Parts of the Preliminary Hydraulic Study, parts of the Final Hydraulic Study and preparation of tender documents for sewage networks and Preliminary Hydraulic Study for storm water networks in parts of the Municipalities of Kropia, Paiania, Spata, Anthousa, Gerakas, Glyka Nera, Penteli, Pallini, Pikermi, Artemida, Rafina, Nea Makri and Marathonas In charge of Hydraulic design
GREECE	1993	Final Hydraulic Study for an earthfill dam (40m) at Livadi, Larissa Project Manager for Hydraulic designs

GREECE	1990-1992	Part of the Final Hydraulic Study for irrigation works (Zones SX, GA, GD) within the basin of Feneos, Korinthos In charge of Hydraulic design
GREECE	1992	Part of the Final Hydraulic Study for an earthfill dam (29m) for irrigation purposes at Metaksochori, Kilkis In charge of Hydraulic design
GREECE	1992	Part of the Hydraulic Study for the Environmental impact assessment of works at the horse racing track and athletic center of Kalochori, Thessaloniki In charge of the hydraulic study
GREECE	1992	Final Hydraulic Study for Contractor's bid for a wastewater treatment plant at Tirnavos Municipality (Consortium: D. Starras - N. Andritsopoulos) Project Manager for Hydraulic designs
GREECE	1992	Part of the Preliminary Hydraulic Study for an earthfill dam (37m) for irrigation and water supply at Faneromeni, Naxos island In charge of Hydraulic design
GREECE	1992	Hydraulic Study for the Environmental impact assessment of works at the horse racing track, marina and hotel complex at Anavyssos, Attiki Project Manager for Hydraulic designs
GREECE	1990-1992	Part of the Final Hydraulic Study for an rockfill dam (45m) for irrigation and water supply purposes at Tsikalaria, Naxos island In charge of Hydraulic design
GREECE	1992-1993	Detail Hydraulic Study for the stormwater and drainage works for parts of Athens - Korinthos Highway (Section: Thiva intersection - Eftaksias) (Contract No. 9071542) Project Manager for Hydraulic designs
GREECE	1991	Final Hydraulic Study for the irrigation of slopes and traffic islands for parts of Athens - Korinthos Highway (Section: Giorgos stream - Megara) Project Manager for Hydraulic designs
GREECE	1991	Final Hydraulic Study for the irrigation of slopes and traffic islands for parts of Athens - Korinthos Highway (Section: Kakia Skala - Kalamaki / Subsection II & III) Project Manager for Hydraulic designs
GREECE	1991	Final Hydraulic Study for the irrigation of slopes and traffic islands for parts of Athens - Korinthos Highway (Section: Thiva intersection - Eftaksias) Project Manager for Hydraulic designs
GREECE	1991	Update of the Final Hydraulic Study for an earthfill dam (19m) at Lofos, Larissa Project Manager for Hydraulic designs

GREECE	1991	Hydraulic Study for the Environmental impact assessment of wastewater treatment plant works at a tourist area in Thessaloniki Project Manager for Hydraulic Study
GREECE	1991	Final Hydraulic Study for Contractor's bid for the construction of the wastewater treatment plant of Benitses prefecture, Corfu (Consortium: D. Starras - N. Andritsopoulos) Project Manager for Hydraulic Study
GREECE	1991	Part of the Final Hydraulic Study for the design of stormwater and sewage networks of parts Lamia city and Kalyvia settlement (works at Social Housing, Galaneina, Nea Ionia) In charge of Hydraulic design
GREECE	1991	Part of the Final Hydraulic Study for the design of stormwater and sewage networks of parts Lamia city and Kalyvia settlement (works at Pagrati, W. Ampliani, Kalivia, Renenia) In charge of Hydraulic design
GREECE	1991	Final Hydraulic Study for Contractor's bid for the construction of the wastewater treatment plant of Tolo prefecture (15.000ep) (Consortium: D. Starras - N. Andritsopoulos) Project Manager for Hydraulic Study
GREECE	1991	Final Hydraulic Study for Contractor's bid for the construction of the wastewater treatment plant of Filiatra Municipality (10.000ep) (Consortium: D. Starras - N. Andritsopoulos) Project Manager for Hydraulic Study
GREECE	1990	Final Hydraulic Study for Contractor's bid for the construction of the wastewater treatment plant of Kato Achaia Municipality & Kato Alissos prefecture (20.000ep) (Consortium: D. Starras - N. Andritsopoulos) Project Manager for Hydraulic Study
GREECE	1990	Part of the Final Hydraulic Study for sewage networks and training works of streams at Perea, Agia Triada at Thessaloniki In charge of Hydraulic design
GREECE	1990	Part of the Final Hydraulic Study for the design of stormwater and sewage networks of parts Lamia city and Kalyvia settlement (works at section I, northern part of E.R.S.L.) In charge of Hydraulic design
GREECE	1990	Parts of the Final Hydraulic Study for the diversion channel of Diakoniari stream to Glafkos river, Patra In charge of Hydraulic design
ITAAIA	1990	Parts of the Studies for the restructuring of the wastewater and solid waste treatment system of Tremiti islands, Italy In charge of Hydraulic design

GREECE	1989	Part of the Final Hydraulic Study for the design of stormwater and sewage networks of parts Lamia city and Kalyvia settlement (works at Housing area of Public Employees) In charge of Hydraulic design
GREECE	1989	Final Hydraulic Study for the drainage works of the maneuvering area at the National Airfield of Ikaria island Project Manager for Hydraulic designs
GREECE	1989	Part of the Final Hydraulic Study for the design of stormwater and sewage networks of parts Lamia city and Kalyvia settlement (works at Northern area) In charge of Hydraulic design
GREECE	1989	Parts of the Final Hydraulic Study for the works of sewage networks in areas of Patras In charge of Hydraulic design
GREECE	1988-1992	Parts of the Final Hydraulic Study for the irrigation network system at Mati, Tirnavos, Larissa In charge of Hydraulic design
GREECE	1988	Part of the Final Hydraulic Study for the design of stormwater and sewage networks of parts Lamia city and Kalyvia settlement (works at Evritani, Taratsa, Social Housing complex area) In charge of Hydraulic design
GREECE	1988	Part of the Final Hydraulic Study for an earthfill dam (34m) for irrigation purposes at the basin of Feneos, Korinthos In charge of Hydraulic design
